

Весело и интересно прошел математический квест среди учащихся 5-6 классов **«В поисках истины»**.

*Математика важна,
Математика нужна,
Математика – наука,
Мыслить учит нас она.*

МАТЕМАТИКА

The header features the word "МАТЕМАТИКА" in large, bold, orange letters with a blue outline. The background is a light blue pattern of various mathematical symbols including numbers (0-9), infinity, pi, and geometric shapes. Surrounding the text are colorful illustrations of mathematical tools: a green compass, a yellow triangle, a red ruler, a purple pen, a blue protractor, and a geometric diagram with letters and numbers.
